## Overall Impression

There are four rooms in the Hengfeng SWI, each equipped with one nurse taking care of children. Most of the children I saw last year were adopted so that I saw many new children who are younger than one-year-old.

## Interviews

I met with six children and their foster families.  
I also Visited Altrusa/Amity sponsored Grandma (doctor) Zhu Tianfen , Grandma Gong Taoxian and Grandma Yu Shuixiang who is sponsored by FCC,Australia

## School Tuition Sponsorship

We also sponsor one of the orphans to attend college where she is majoring in art.

She was away doing her internship so we do not have a report on her yet.
