

June 11, 2009 Shangrao Social Welfare Institute

Trip Report

1. General Information:

1. Head of Institute: Zhu Liying
2. Vice Head of Institute: President Zhang, President Wang
3. Oversees Amity Foundation Projects: Mao Lizhen. Mao Lizhen, President Zhang and the health care workers go to the countryside to distribute the milk powder and the stipends to the foster families, and to inoculate to the foster children at same time.
4. Orphan Population: 30 receive foster care sponsorship from the Amity Foundation, and 30 children receive sponsorship from the institute itself in foster care. 4-5 children live at the institute.

2. Overall Impression:

Foster family: We have meticulously selected foster families according to the diseases of these children and the conditions of foster mothers. Though these foster children have been taken care very well, these disabled children need the rehabilitation exercises and their foster mothers will be taught more about their rehabilitation.

3. Interviews:

(1) Amity Grandma, Doctor and Nurse Update: Met with one doctor Yang Huirong and two nurses Xu Yan and Rao Meixian. They are mainly in charge of giving medical advices and injecting to the children, old people in the welfare institute and the foster children. We also met with Rao Xiaohua and three Amity grandmas: Wang Guihua, Chen Liping and Mu Sanrong. They are mainly in charge of doing the rehabilitation exercises to the foster children and taking care of the children who are preparing the surgery in hospital. On that day, we didn't meet with the nurse Li Jing because she was on marriage leave.
